Part B – Create a Social Media Do's and Don'ts checklist:

16.

✅ Responsible Social Media Use Checklist

✔️ Do’s

- **Think before you post** – Make sure your content is appropriate and respectful
- **Protect your privacy** – Keep personal information (address, phone number, etc.) secure
- **Use strong passwords** – Enable two-factor authentication when possible
- **Verify information before sharing** – Avoid spreading misinformation
- **Maintain a positive digital footprint** – Share content that reflects well on you

---

❌ Don’ts

- **Don’t share sensitive personal details** publicly
- **Don’t engage in cyberbullying or online arguments**
- **Don’t post inappropriate or offensive content**
- **Don’t trust every link or message** – beware of scams and phishing
- **Don’t overspend time on social media** – balance online and offline life
